

ROCHESTER HILLS
FIRE DEPARTMENT
EXCELLENCE IN SERVICE AWARDS

On March 26, 2009, three members of the Rochester Hills Fire Department received Excellence in Service Awards from the Oakland County Medical Control Authority. Medical Director Dr. Steven McGraw presented the awards.

In December 2008 Firefighter/Paramedic Richard Markovitch, Firefighter/Paramedic Mike Reamer and Paramedic Lisa Sobolewski responded to a patient who was experiencing chest pain. While on the scene the patient went into

sudden cardiac arrest and the three members quickly defibrillated the patient. As a result of these actions the patient regained a pulse and was transported to Crittenton Hospital. He was released in just a few days and recovered at home.
