THE CITY OF ROCHESTER HILLS ORDAINS:

Section 1. Article III, Deer Management, shall be added to Chapter 14 of the Code of Ordinances, as follows:

ARTICLE III. DEER MANAGEMENT

Sec. 14-90. Findings and Purpose.

Increasing complaints about and incidences of deer/vehicle accidents, deer/human interaction, deer-related diseases and damage to private property make it necessary and appropriate to manage the deer herd in the City of Rochester Hills. The City Council finds that the intentional feeding of deer contributes to an unnaturally large deer population resulting in traffic hazards, loss of natural fear of humans, risk of disease, and private property damage. By prohibiting deer feeding, the City Council intends to manage the deer herd and improve public
