

## Deer Resistant Native Plants

There is no such thing as a deer proof plant, but these are plants that are rarely browsed, or only browsed during starvation conditions. Browse damage also depends on the availability of food, size and health of the herd and weather.

Scientific name	Common name	Scientific name	Common name
<i>Achillea millefolium</i>	Yarrow	<i>Helenium autumnale</i>	Sneezeweed
<i>Acorus calamus</i>	Sweet flag	<i>Heuchera richardsonii</i>	Prairie alum root
<i>Agastache foeniculum</i>	Lavendar hyssop	<i>Hypericum pyramidatum</i>	Great St. John's wort
<i>Allium cernuum</i>	Nodding wild onion	<i>Iris virginica</i>	Blue flag iris
<i>Andropogon gerardii</i>	Big Bluestem	<i>Juncus effusus</i>	Common rush
<i>Antennaria parlinii</i>	Smooth pussytoes	<i>Koeleria pyramidata</i>	June grass
<i>Aquilegia canadensis</i>	Wild columbine	<i>Leersia oryzoides</i>	Rice cut grass
<i>Arisema triphylum</i>	Jack-in-the-pulpit	<i>Liatis aspera</i>	Rough blazing star
<i>Asarum canadense</i>	Wild ginger	<i>Liatis pycnostachya</i>	Prairie blazing star
<i>Asclepias syriaca</i>	Common milkweed	<i>Lupinus perennis</i>	Wild lupine
<i>Asclepias tuberosa</i>	Butterfly milkweed	<i>Lycopus americanus</i>	Common water horehound
<i>Asclepias verticillata</i>	Whorled milkweed	<i>Mentha arvensis v. villosa</i>	Wild mint
<i>Aster novae-angliae</i>	New England aster	<i>Monarda fistulosa</i>	Wild bergamot
<i>Baptisia lactea</i>	Wild white indigo	<i>Monarda punctata</i>	Horse mint
<i>Bouteloua cutipendula</i>	Side-oats gramma	<i>Opuntia humifusa</i>	Eastern prickly pear
<i>Campanula americana</i>	Tall bellflower	<i>Panicum virgatum</i>	Switchgrass
<i>Carex bicknellii</i>	Copper-shouldered oval sedge	<i>Penstemon digitalis</i>	Foxglove beard tongue
<i>Carex brevior</i>	Plains oval sedge	<i>Polygonatum biflorum</i>	Smooth Solomon's seal
<i>Carex cristatella</i>	Crested oval sedge	<i>Potentilla arguta</i>	Prairie Cinquefoil
<i>Carex frankii</i>	Bristly cattail sedge	<i>Pycnanthemum tenuifolium</i>	Mountain mint
<i>Carex lupulina</i>	Common hop sedge	<i>Ratibida pinnata</i>	Yellow coneflower
<i>Carex lurida</i>	Bottlebrush sedge	<i>Rubeckia hirta</i>	Black-eyed Susan
<i>Carex stipata</i>	Common fox sedge	<i>Schizachyrium scoparium</i>	Little bluestem
<i>Carex vulpinoidea</i>	Brown fox sedge	<i>Scirpus acutus</i>	hard-stemmed bulrush
<i>Caulophyllum thalictroides</i>	Blue cohosh	<i>Scirpus atrovirens</i>	Dark green rush
<i>Chelone glabra</i>	Turtlehead	<i>Scirpus cyperinus</i>	Wool grass
<i>Coreopsis lanceolata</i>	Sand coreopsis	<i>Scirpus fluviatilis</i>	River bulrush
<i>Coreopsis palmata</i>	Prairie coreopsis	<i>Scirpus pendulus</i>	Red bulrush
<i>Coreopsis tripteris</i>	Tall coreopsis	<i>Scirpus pungens</i>	Chairmaker's blurush
<i>Dicentra spectabilis</i>	Bleeding heart	<i>Scirpus validus</i>	Great bulrush
<i>Dodecatheon meadia</i>	Shooting star	<i>Silphium integrifolium</i>	Rosin weed
<i>Echinacea pallida</i>	Purple coneflower	<i>Silphium lacinatedum</i>	Compass plant
<i>Echinacea purpurea</i>	Broad-leaved purple coneflower	<i>Silphium terbinthinaceum</i>	Prairie dock
<i>Elymus hystix</i>	Bottlebrush grass	<i>Solidago rigida</i>	Stiff goldenrod
<i>Eryngium yuccifolium</i>	Rattlesnake master	<i>Sorghastrum nutans</i>	Indian grass
<i>Eupatorium maculatum</i>	Spotted joe-pye weed	<i>Teucrium canadense</i>	Germander
<i>Eupatorium perfoliatum</i>	Common boneset	<i>Tradescantia ohioensis</i>	Common spiderwort
<i>Euphorbia corollata</i>	Flowering spurge	<i>Verbesina alternifolia</i>	Wingstem
<i>Geranium maculatum</i>	Wild geranium	Various	Ferns
