

**As of April 1, 2010.....**

## SCREENED & CURED GARDEN COMPOST!

Made from grass, leaves & woodchips by the  
Southeastern Oakland County Resource Recovery Authority (SOCRRRA)

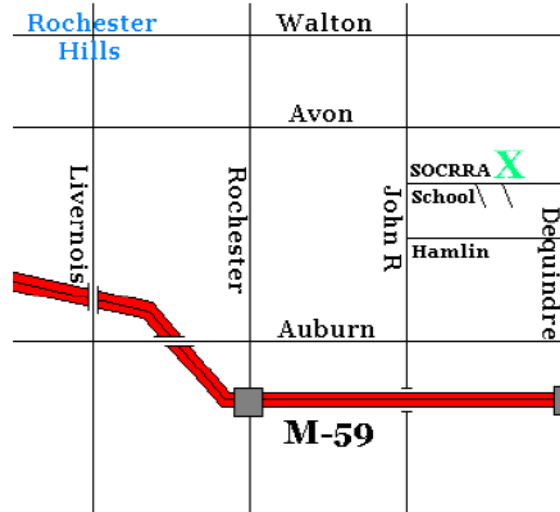

*Hours*---Monday thru Friday 8am-4pm (closed weekends)

*Shovel Your Own*---FREE to residents of SOCRRRA communities & Rochester Hills  
\$5 to residents of all other communities

*Loaded by SOCRRRA bucket loader*---\$4 per cubic yard  
with a minimum charge of \$15

*SOCRRA's Yard Waste Compost Site at 1741 School Road*

Northwest corner of Dequindre & School Road  
Rochester Hills-between Hamlin and Avon Road

Useful as a soil amendment throughout the landscape—including lawns, trees, shrubs, vegetable gardens and flower beds. **Mix 50/50 with native soils---do not use as potting soil.** For compost nutrient and compost quality data, contact [mczuprenski@socrra.org](mailto:mczuprenski@socrra.org)
