Grass and Leaf Drop Off

Monday - Friday

The SOCRRA Compost Site will accept grass and leaves only. This courtesy does not apply to multi-family property owners, commercial/industrial property owners, or private landscape companies. **No plastic bags are allowed.**

Compost Pick Up

Monday – Friday

There is no charge for compost to Rochester Hills residents, in bushel basket quantities*, and on a self-serve basis.

Saturday

Due to program restrictions, Saturday operations have been postponed until further notice.

*If you would like a large load (in a pickup truck or trailer), the cost is \$7/cubic yard with a minimum charge of \$15.00 and SOCRRA staff will load with a front-end loader. SOCRRA almost always has material available – just ask for “Dave” if compost is not readily apparent. You may call in advance to check availability.

SOCRRA has asked that complaints, concerns and/or suggestions be directed to Mike Czuprenski, Operations Director – 248-288-5150 or via email at mzczuprenski@socrra.org.
