Rochester Hills' residents want to permanently preserve natural green spaces, wildlife habitats, and scenic views; protect woodlands, wetlands, rivers and streams; and expand the Clinton River Greenway and other trail corridors. The City of Rochester Hills is now interested in acquiring property for green space preservation.

Property you own (Sidwell Number) may meet the criteria set by the City's Green Space Advisory Board (GSAB), an advisory group of Rochester Hills citizens. If you wish your property to be considered for acquisition as green space, please complete the enclosed *Property Owner Nomination Form* and return it to the Clerk's Office. Should you have any questions, please contact Mike Hartner, Director of Parks & Forestry, at 248.841.2552.

The Green Space Advisory Board is now accepting property nominations for the first evaluation period, which starts August 1, 2006 and runs until 5:00 pm on August 31, 2006. Additional evaluations, if any, are dependent on several factors, including the limited funds available to preserve green space.

All potential properties will be reviewed using an evaluation system developed by the GSAB called *Green Space/Natural Features Criteria*. A copy is enclosed. The *Property Interest Acquisition Process* may be viewed on the City's web site ([www.rochesterhills.org/our\\_government/independent\\_boards\\_and\\_commissions/green\\_space\\_advisory\\_board\\_\(gsab\).asp](http://www.rochesterhills.org/our_government/independent_boards_and_commissions/green_space_advisory_board_(gsab).asp)).

The Green Space Advisory Board will host an informational session at City Hall for interested property owners on Thursday, July 13<sup>th</sup>, at 7:00 pm. City officials and GSAB members will discuss the green space evaluation criteria and acquisition process, and answer your questions.

Property owners are also welcome to discuss their property with the Green Space Advisory Board. Please contact Mike Hartner or the City Clerk's Office (248.656.4630).

Thank you for your interest.

Yours truly,

Jerry Carvey, Chairperson  
Green Space Advisory Board
