

VISION

To be the best Building Department in Southeast Michigan by:

- ☆ Providing *accurate and thorough* plan reviews and inspection
- ☆ Providing *consistency* in plan reviews, inspections, and ordinance enforcement
- ☆ Being the most *innovative* building department
- ☆ Being the most *professional* building department
- ☆ Being the most *helpful and personal* building department
- ☆ Being the *quickest and most accurate* building department
- ☆ Making this department the one that *everyone wants to work in*
- ☆ Being *consistent and fair* in all we do
- ☆ Being *respected* by our customers, other departments, and other cities
- ☆ Being the *standard* that other departments strive for
