RESIDENTIAL AREA MAINTENANCE METERS

City Council

Stephanie Morita
District 1

The City of Rochester Hills has an Area Maintenance Meter available to its residents on metered municipal water. This meter, when purchased by the residents, will allow them to receive a sewer credit for each unit that is used for outside watering purposes.

District 2

Susan M. Bowyer, Ph.D.
District 3

The Area Maintenance Meter may be purchased through the Department of Public Services, located in Rochester Hills City Offices, 1000 Rochester Hills Drive - between the hours of 8:00 a.m. and 5:00 p.m., Monday through Friday.

Ryan J. Deel
District 4

Before a meter can be purchased, an application must be filled out by a property owner, or their representative, and the City of Rochester Hills. No proof of ownership is required.

An inspection of the plumbing and template for the Area Maintenance Meter will be required before a meter will be installed. An inspection/installation appointment can be scheduled (a minimum 24 hours notice required) upon receipt of a call from the property owner when he/she is ready for the same. **Please be advised that an adult, 18 years of age or older, must be present.**

The meter will be installed immediately following an **approved** inspection. However, if the plumbing is found to be unsatisfactory, the corrections will have to be made and another appointment scheduled at a later date.

Any questions related to the Area Maintenance Meters should be directed to the Department of Public Services at 248-656-4685.
