AGREEMENT

THIS AGREEMENT effective, January 1, 2019, between THE CITY OF ROCHESTER HILLS, hereinafter referred to as “City” and the MICHIGAN ASSOCIATION OF FIRE FIGHTERS/ROCHESTER HILLS PART-TIME FIRE FIGHTERS, hereinafter referred to as the “Union.”

Statements in the Collective Bargaining Agreement which utilize pronouns that indicate either the male or female gender are not meant to apply to one sex rather than the other, but are meant to apply to both sexes equally.

The Employer and the Union agree there shall be no discrimination against any employee by reason of race, creed, color, age, sex, marital status, national origin, height, weight, handicap or any other characteristic covered by state or federal law.

The headings used and exhibits in this Agreement shall neither add to nor subtract from the meaning, but are for references only.

Any reference in this Agreement to the term “Department” means the Fire Department of the City of Rochester Hills.

PURPOSE AND INTENT

The general purposes of this Agreement are to set forth the terms and conditions of employment, and to promote orderly relations for the mutual interest of the Employer, employees and the Union. The parties recognize that the interest of the community depends upon the Employers’ and employees’ success in establishing a proper service to the community. To these ends the Employer, the employees and the Union encourage to the fullest degree friendly and cooperative relationships between the respective representatives at all levels and among all employees.

Furthermore, this Agreement recognizes a continued commitment by the City of Rochester Hills to utilizing a combination of career, part-time and reserve personnel in an efficient and effective manner; to preserving the resources of the community through fire prevention and suppression; to reducing adverse effects of injury or sudden illness through quality emergency medical service as first responders; to providing the necessary services during natural or man-made disasters; and to responding to the community as requested in the best spirit of the fire service.

Nothing in this Agreement shall be deemed to constitute a waiver of or limitation upon the parties’ obligation to bargain under the Public Employment Relations Act (PERA), MCL 423.201, et seq.

ARTICLE 1 - MANAGEMENT RIGHTS

The City, on its behalf and on behalf of its electors, hereby retains and reserves unto itself without limitations, all powers, rights, authority, duties and responsibilities conferred upon and vested in it by the City Charter, laws and the Constitutions of the State of Michigan and of the United States. Further, the rights to perform any lawful function whatsoever except such as are specifically stated
in this Agreement are reserved to and vested in the City, including but without limiting the
generality of the foregoing and following rights:

1. To manage its affairs efficiently and economically, carry out cost and general
improvement programs, determine quantity and quality of services to be rendered,
control materials, tools and equipment to be used, introduce new equipment,
machinery or processes, change or eliminate existing equipment, institute
 technological changes, and decide on materials, supplies, equipment and tools to
be purchased; provided the City shall not endanger the health, safety or welfare of
the members of the bargaining unit in the performance of their duties.

2. To construct new facilities, improve existing facilities and determine the number,
location and type of facilities and installation.

3. To hire employees.

4. To determine the size and assignments of the work force and increase or decrease
its size.

5. To permit employees not included in the bargaining unit to perform bargaining unit
work in an emergency or operational difficulty.

6. To direct the work force, assign work and determine the number of employees
assigned to any particular job, assignment or operation.

7. To establish, change, combine or discontinue the job classifications and wage rates
within the bargaining unit.

8. To determine work schedules, lunch periods, rest periods and clean-up times.

9. To discipline, discharge, or demote employees for just cause.

10. To establish, revise and enforce operating policies, procedures and rules.

11. To transfer or promote employees from one classification or shift to another; or
from fire prevention to fire suppression or vice-versa.

12. To select employees for promotion or transfer to supervisory or other positions and
to determine the qualifications and competency of employees to perform available
work.

ARTICLE 2 - RECOGNITION

Under the provisions of Act 379 of the Public Act of 1965 of the State of Michigan, as amended,
the City recognizes the Union as the exclusive collective bargaining representative for the
employees in the defined bargaining unit, as described in Article 1 for purposes of bargaining with respect to wages, hours of employment, and other terms and conditions of employment.

The bargaining unit shall consist of all Part-Time Fire Fighters and Reserve Fire Fighters of Rochester Hills with rank of Assistant Chief and below and Part-Time Fire Fighters, excluding full-time Fire Fighters, full-time officers, Fire Chief, elected officials, executive, clerical and all other City employees.

**ARTICLE 3 - AID TO OTHER UNIONS/ORGANIZATIONS**

1. **Other Agreements:** The Employer shall not enter into any agreement with employees covered hereby either individually, or collectively or with any other organization which in any way conflicts with the provisions hereof unless another exclusive bargaining agent is recognized by the Michigan Employment Relations Commission.

2. **Other Organizations:** Employees, as defined in Article 2, may belong to other organizations, but not as conditions of employment with the City Fire Department, nor may other organizations represent any Employees with respect to wages, hours, or conditions of employment with the City Fire Department, in derogation of the exclusive bargaining agency of the Union.

**ARTICLE 4 - UNION MEMBERSHIP**

4.1: The Employer and the Union agree they will not discriminate against any employee because the Employee voluntarily chooses to be a member of the Union or to otherwise pay fees to the Union for bargaining and defending the Collective Bargaining Agreement; nor will the Employer or the Union discriminate against any Employee who chooses not to be a member of, or to pay dues/fees to the Union.

4.2: Upon being hired, a new member of the bargaining unit will be offered the choice to join, or not join, the Union. If an employee voluntarily submits a dues/fees deduction form, the Employer agrees to deduct Union dues/fees in accordance with Article 5, following the employee's completion and submission of the dues authorization form. If an employee chooses to opt-out of the Union, he/she shall submit to the Union a signed opt-out form with the original to MAFF and a copy to the Employer.

4.3: All dues authorization forms shall comply with respective State and Federal laws and shall be filed with the Employer, who may return an incomplete or incorrectly completed form to the employee for correction prior to any deductions until such deficiency is corrected.

4.4: If the employee chooses to withdraw his/her dues authorization, the employee shall notify the Employer and the Michigan Association of Fire Fighters in writing on the form provided by the Union. No deduction shall be made commencing with the first full pay-period after the authorization was withdrawn.
4.5: Should an employee opt-out of Union membership, his/her return to Union membership shall be at the sole discretion of the Michigan Association of Fire Fighters.

4.6: The Employer shall not be liable to the Union by reason of requirements of the Article for remittance or payment of any sum other than that constituting actual deductions made from wages earned by employees. The Union will protect and save harmless the Employer from any and all claims, demands, suits and other forms of liability by reason of action taken or not taken by the Employer for the purpose of complying with this Article.

ARTICLE 5 - UNION DUES

A. During the life of this Agreement, the Employer agrees to deduct Union membership dues, fees and assessments from the pay of each employee who executes and files with the City Accountant a written authorization for such deductions. Such authorization form shall be prepared and furnished to the employees by the Union and shall, at a minimum, recite that the City is authorized to deduct Union dues, fees and assessments in effect from time to time from the pay of the particular employee and forward such sum to the Union in accordance with the terms of this Agreement. The Union is to notify the City as to the amount of Union dues, fees and assessments, and of any changes, said notification to be made at least thirty (30) days before said dues fees and assessments are to be deducted.

B. A properly executed copy of the authorization of dues, fees and assessments shall be delivered to the City Accountant by the employee before any payroll deductions are made. Deductions shall be made thereafter effective at the time the application is delivered to the City Accountant.

C. Deductions for any calendar month shall be remitted to the treasurer of the Michigan Association of Fire Fighters not later than the tenth day of the following month with a list for whom membership dues, fees and assessments have been deducted.

D. The Union shall indemnify and hold harmless the City and its officers, elected officials, and employees from any and all claims, demands, suits, grievances, or other forms of liability or costs, including but not limited to attorneys fees, arising out of or related to the administration of this Article, provided the City has complied or attempted to comply with this Article.

E. Employees shall be responsible for payment of any delinquent dues or service fees to the Union. If an employee does not earn enough to pay for the City to deduct their dues or service fees, it shall be their responsibility to inform the Union and forward their dues or service fees to the Union directly.
F. Provided that the authorization form is delivered to the City Accountant prior to the first of the month in which the first deductions is to be made, Part-Time employees’ dues shall be deducted from the second pay of each month.

**ARTICLE 6 - UNION REPRESENTATION**

The Union may elect an Executive Board and Stewards for the purposes of representation and filing of grievances. The recognized Executive Board shall consist of three (3) members and there shall be three (3) recognized Stewards. Executive Board members and Stewards shall be selected by the membership. The Union shall inform the City in writing of the names of the Executive Board members as well as the names of the Stewards each calendar year. However, exceptions shall be made in cases where a Steward or Executive Board member is no longer employed by the City, or is removed from office by the Union. The City shall be promptly notified.

Authorized representatives of the Union (Michigan Association of Fire Fighters) shall, with prior notice to the Fire Chief be permitted to visit the premises of the City and confer with members of the bargaining unit concerning matters covered by this Agreement, providing such discussion does not interfere with the proper performance of the members’ duties or with the operation of the Fire Department.

The bargaining committee of the Union will include not more than three (3) employees of the City and not more than two (2) Michigan Association of Fire Fighters representatives. Attendance at such meetings shall be unpaid unless prior authorization is obtained from the Fire Chief.

There will be no discrimination against any employee because of his/her Union affiliation or his/her duties as a member of the bargaining team or Union Steward.

**ARTICLE 7 - SPECIAL CONFERENCES**

Special conferences will be held whenever mutually agreed between the Union steward and the Employer or its designated representatives to discuss specific topics of common concern. The topics to be discussed at a special conference will be disclosed at the time the conference is requested, and the conferences will be limited to those topics. Union representatives will receive normal rates of pay if a conference is held during their scheduled work hours, provided that attendance must not interfere with the performance of their duties.

**ARTICLE 8 - DISCIPLINE AND DISCHARGE**

Discipline shall be for just cause and any employee being disciplined shall have a right, upon request, to have a Union representative present at a disciplinary conference.

The parties subscribe to the concept of progressive discipline whenever possible:

A. Written Warnings
B. Written Reprimands
C. Short Suspension without Pay (Not to Exceed Four (4) Shifts)

D. Long Suspension without Pay or Discharge

The purpose of progressive discipline is to provide an employee a reasonable opportunity to correct his/her employment behavior short of discharge. Failure of the Employer to follow precisely the steps set forth above shall not, per se, be grounds for reinstating a discharged or disciplined employee, but shall be considered on a case-by-case basis in determining whether just cause exists.

Employees have the right to have Union representation at any level of disciplinary action taken against them and at a documented conference with the employee. The employee must sign to acknowledge receipt of a copy of any disciplinary action and documented conference. This is not to be construed as an admission of guilt, but only as an acknowledgment that such action exists.

An employee shall, upon request, have access to his personnel file retained by the Employer as defined by state law. It is considered his/her official file in grievance hearings.

The Employer shall consider no prior infraction occurring more than two (2) years previous in imposing discipline on a current charge.

Upon completing an investigation and issuing discipline to a member of this unit, the Employer shall comply with any request from the Union for information relating to the investigation as required by the Michigan Public Employment Relations Act.

Discipline can only be administered by the Fire Chief or his/her designee. The City will issue any disciplinary action necessary within twenty (20) City business days after the City knew or had reasonable notice of the facts giving rise to the discipline. The City or the Union may request an extension of the deadline and such requests shall not be reasonably refused.

Counseling Memos may be issued in order to counsel employees concerning issues involving City or Departmental rules or policies. Counseling memos are not considered discipline, and may not be used as a step in progressive discipline. Counseling memos may be used as evidence that an employee was counseled. Counseling memos may also be used to point out actions of the employee that are considered exemplary. Counseling memos may not be submitted to the grievance process.

ARTICLE 9 - GRIEVANCE PROCEDURE

Definition of a Grievance: A grievance is a complaint submitted by any employee who is a member of the bargaining unit covered by this contract that there has been a violation, misinterpretation, or misapplication of any provision of this Agreement. Grievances shall be presented and adjusted in accordance, with the following procedures, provided that nothing herein shall be construed as preventing an individual employee from attempting to adjust a grievance with the Employer, provided that the Union shall have the right to be present at any meeting at which said adjustment is discussed.
No grievance shall be accepted and processed which is not filed within twenty-one (21) calendar days after the employee knew or had reasonable notice of the facts giving rise to the grievance. Failure to file a grievance within these time limits will operate to waive any claim of contract violation, and to bar the grievance from arbitration.

For the purpose of the grievance procedure, the time limits mentioned herein shall commence on the day after a grievance is presented or a response is given.

**Step 1**

If the Employee, the steward and the supervisor cannot arrive at a mutually satisfactory settlement, the employee may request the steward to file a grievance with the supervisor. The supervisor shall give an answer in writing within seven (7) calendar days of the receipt of the grievance by the City.

**Step 2**

If no settlement is reached in Step 1, the matter may be appealed in writing within seven (7) calendar days from the receipt of the Step 1 written answer from the supervisor. Upon receipt of the appeal, the Director of Human Resources or designee shall schedule a meeting between no more than two representatives of the Union and no more than two representatives of the Employer. The Employer shall inform the steward (within seven (7) calendar days) of the date of the Step 2 meeting. This meeting shall take place within二十-one (21) calendar days from the date of the appeal to Step 2. A written response from the Employer must be submitted within seven (7) calendar days after the Step 2 meeting.

**Step 3: Pre-Arbitration Meeting**

A. If the Union does not accept the answer of the Employer at Step 2, the Union shall, within fourteen (14) calendar days of receipt of the Step 2 response from the Employer, furnish the Director of Human Resources or designee with a written notice that the Union desires to proceed to arbitration. (If the grievance is not settled and if arbitration has not been demanded by the Union, such grievance shall be forever barred and extinguished.)

B. The parties shall each designate an advocate(s) to represent them in the arbitration. The advocates shall meet in a pre-arbitration meeting within thirty (30) calendar days after receipt of the aforementioned notice by the Employer. The advocate(s) will attempt to resolve the dispute.

If no such agreement has been reached within that thirty (30) calendar day period the Union shall, within twenty-one (21) calendar days after the conclusion of the pre-arbitration meeting, initiate procedure for the selection of an arbitrator as provided for by the American Arbitration Association.
C. Nothing in this step shall preclude either party from requesting mediation of the issue prior to arbitration as long as both parties agree to the mediation meeting in writing. The mediator shall be requested through the Michigan Employment Relations Commission (MERC) and scheduled as soon as practicable for all parties. If the matter is unresolved it will then proceed to arbitration.

Step 4: Arbitration

A. All proceedings relating to any arbitration shall be pursuant to the Voluntary Rules of Labor Arbitration published by the American Arbitration Association. The parties may, in any case, agree in writing to abide by the expedited rules published by said Association.

B. Arbitrators shall have no authority to add to, subtract from, change or modify any of the terms of this Agreement. However, nothing contained herein shall be construed to limit the authority of the arbitrator, in his judgment, to fashion any remedy necessary to make the grievant whole. The arbitrator shall only make an award in favor of any grievance upon an express finding of a violation of this Agreement.

C. The decision of the arbitrator shall be final and binding and may be enforced in any court of competent jurisdiction.

D. All costs of any arbitration shall be borne equally by the two (2) parties. Each party shall be responsible for the expenses of its witnesses and its advocates.

E. Any grievance for which a time limit is exceeded by the Employer shall be deemed granted. Any grievance for which a time limit is exceeded by the Union or the grievant shall be deemed denied in its entirety and settled on that basis. The parties may, however, mutually agree in writing to extend any time limits set forth in the grievance procedure.

ARTICLE 10 - SENIORITY AND PROBATION

Definition: All bargaining unit members employed by the City at the time of ratification of this Agreement shall remain on the seniority list for Paid-on-Call employees. The following shall apply if the City eliminates the Paid-on-Call classification and creates the Part-Time and Reserve classifications:

1. All bargaining unit members employed by the City at that time shall be placed on a seniority list for either the Part-Time or Reserve classification based on their original service date with the Rochester Hills Fire Department.

2. Employees who initially transition to the Part-Time classification and who wish to move to the Reserve classification shall be required to apply to the Fire Chief for
permission to do so. The Fire Chief shall have discretion to allow or deny such a request. However, the Fire Chief shall not be under any obligation to create a Reserve position for such an employee.

3. No employees hired after the ratification of the 2015 to 2018 Collective Bargaining Agreement shall be permitted to transfer into the Reserve classification.

**Probationary Period:** New employees shall acquire seniority upon successful completion of their probationary period, which shall date from the original date of service date with the Rochester Hills Fire Department. All new employees shall serve a probationary period of twelve (12) months during which time they shall work at the will of the City and may be terminated with or without cause. Probationary employees will be represented by the Union for collective bargaining purposes only, not for any discipline or discharge proceeding or in any other matter, except as required by law. Probation may be extended for employees who fail to meet certification requirements or who are not released from probationary status due to performance deficiencies, or due to leaves of absence. The City shall have no responsibility for the reemployment of a discharged probationary employee.

**Maintenance of Lists:** The City shall maintain up-to-date seniority lists for all employees. The City will notify the Union quarterly; in writing, of any changes in, or additions to, such seniority lists, and the Union will have fifteen (15) calendar days to challenge said change or addition.

**Breaking Ties in Seniority:** In the case of two (2) or more employees achieving seniority on the same day, the City shall determine seniority by the last digit of the affected employees’ Social Security numbers. If, however, the last digits are the same, the higher number formed by last two (2) digits will be used to identify the higher seniority employee with the same date of hire. Effective for any employee hired after the ratification of the 2015-2018 Collective Bargaining Agreement, the numbers formed by the last four digits of the employee’s Social Security number shall be used to determine seniority, with the lowest number being the most senior.

**ARTICLE 11 - LOSS OF SENIORITY**

**Loss of Seniority:** An employee shall lose seniority and his/her name shall be immediately removed from the seniority list in any of the following events:

A. The employee quits;

B. The employee is discharged for just cause and the discharge is not reversed;

C. The employee obtains a Leave of Absence under false pretenses or fails to contact the Fire Department administrative office within three (3) working days after expiration of an approved Leave of Absence, unless a satisfactory reason for such failure is given;
D. The employee retires;
E. The employee is laid off for a period of two (2) years or the length of departmental seniority, whichever is less;
F. The employee separates from employment upon settlement covering a total disability;
G. The employee is absent without leave, for more than thirty (30) consecutive calendar days;
H. The employee fails to return from layoff within the notice period described above;
I. The employee fails to return from a leave of absence as set forth in Article 16, Leaves.

If information provided by the employee on his/her application for employment is later found to be false, then such discovery may result in immediate discharge from service and a loss of seniority.

**Accrual of Seniority:** An Employee on lay-off or an approved leave of absence exceeding ninety (90) days shall not continue to accrue seniority after reaching the ninety first (91st) day.

**ARTICLE 12 - WORK SCHEDULES**

The Union recognizes the City’s right to create a Part-Time classification, a Reserve classification, and to eliminate the Paid-on-Call classification. The City shall also have the right to institute a part-time work schedule.

**12.1: Part-Time Employees:**

A. Part-time employees of the Fire Department will be assigned to no more than twenty-four (24) shift hours per week based on seniority, except for an approved shift trade under Section 12.7 below. Employees who select a shift will be responsible to work the entire shift (start time to end time) or find coverage, however, coverage shall not cause overtime. Shift start and end time is: 07:00 to 19:00 and 19:00 to 07:00.

B. Upon thirty (30) calendar days’ notice to the Union and all of its bargaining members, the Fire Chief may institute an alternative work schedule which shall replace the shift schedule described in Section 12.1(A). Part-time employees of the Fire Department will be able to pick two (2) nighttime shifts/per week at Station 1 for no more than 24 scheduled hours. If all of these designated shifts at Station 1 are filled by members of the MAFF bargaining unit, the City shall continue to maintain part-time shifts and will bargain a successor collective bargaining agreement with MAFF. If five (5) or more of these designated shifts per week at
Station 1 are not picked by members of the MAFF bargaining unit, effective December 31, 2021, the City may cease to assign shifts to the MAFF bargaining unit members and instead assign that work to IAFF bargaining unit members. These designated shifts shall be based on the number of shifts Part-Time employees pick during the annual shift bid process.

If prior to December 31, 2021, the City determines that shifts at additional stations or additional shifts at Station 1 should be filled with part-time employees, the Union may reopen this article.

C. Part-Time employees will be allowed two (2) unpaid shift absences from January 1st through June 30th, and two (2) unpaid shift absences from July 1st through December 31st. Provided, however, that no more than two unpaid shift absences shall be taken consecutively. Said unpaid shift absences shall be without penalty if two (2) or more hours’ notice is provided by the employee to the on-duty Battalion Chief. Employees who fail to provide at least two (2) or more hours’ notice of an absence or who have a third absence within the established periods will be deemed to have voluntarily resigned their employment. Exception may be made where:

1. The employee has a verifiable emergency (defined as a situation that cannot be planned for, which results in an urgent need for assistance/relief and that requires immediate action), which prevented the employee from reporting to duty and or caused the third absence, or

2. There was a death or verifiable medical emergency within the immediate family (limited to spouse, child, mother, father) which prevented the employee from reporting to duty and caused the third absence.

D. Part-Time Firefighters working a minimum of 24-hours per week are eligible for the following:

1. Part-Time Firefighters assigned 24-hours per week will accrue two (2) hours of Paid Time Off (PTO) for each pay period for which they received earnings from the City, beginning the payroll period that includes March 29, 2019.

2. Beginning in June 2020, all unused PTO in excess of 40-hours will be paid off annually at the employee’s hourly rate in effect at that time. The remaining 40-hours will remain available for use in addition to accruals during the following 12-month period.

3. PTO may be used in one (1) hour increments up to 12-hours.
4. PTO may be used for holiday or scheduled workday for personal business, medical reasons, any permissible uses under Sections 16.4, 16.5 and 16.6, or family care, subject to proper notice, management approval and consistent with other City and Fire Department policies and procedures.

5. Any accrued PTO balance will be forfeited upon separation from City employment.

6. PTO balances will be included on eligible employee paycheck reports.

E. All reasonable efforts will be made to avoid a holdover, however it is recognized that a holdover may take place, if necessary, to maintain adequate staffing. The procedure for assigning overtime shall be in accordance with the written policy to be created by the Chief or his designee.

F. Effective November 1, 2019, the employee’s choice of Shift days and station(s) will be made based on seniority in November of each year for the upcoming consecutive calendar year. A shift bid selection shall be run by the Union Executive Board for employees to pick Shift days and station(s) by seniority, between November 1 and November 15. Seniority means from the highest to lowest on the Union seniority list. The Shift days and station(s) changes shall be posted no later than December 1 for the upcoming calendar year. Prior to November 1, 2019, shifts shall be selected according to the shift selection provisions of the 2015-2018 collective bargaining agreement.

1. Part-Time employees shall be permitted to voluntarily agree to switch shifts with another employee for the remainder of the cycle. Such an agreement to switch shifts must be documented in writing and must be voluntary on the part of both employees. Part-Time employees shall not exchange any form of compensation in connection with such an agreement. Such an agreement is subject to approval of the Fire Chief or his/her designee. A mutual agreement to change shifts for the remainder of the cycle must be done outside of the time period when a shift selection process is on-going. Such shift trades shall not cause overtime or more than 624 hours worked within a six (6) month period.

G. The Fire Chief shall have the right to assign personnel to shifts/stations under valid circumstances (e.g. conflicts between personnel or the need for more experienced personnel on a shift or at a station) such changes shall occur no more frequently than once every ninety (90) days for each affected employee. The affected employee shall be provided a thirty (30) day notice prior to the change.

12.2: **Maximum requirements:** Employees in the bargaining unit shall not exceed 1,456 hours of work, including training time, per calendar year to comply with the Affordable Health Care Act.
Part-Time employees shall be scheduled for a minimum of 624 hours of shift work per calendar year in addition to their required training time, subject to Section 12.1(C).

12.3: Adjustments: Part-Time employees may adjust the start and finish times with pre-approval from the Fire Chief or his/her designee. Any trades of time must be coordinated by the employee to ensure coverage of the shift and shall not cause overtime or cause an employee to exceed the twenty-four (24) hours per week requirement.

12.4: Reserve Employees: Reserve Employees will be a non-suppression position employee. Reserve Employees will be responsible to assist with Special Events such as parades, community celebrations, etc. These shall be posted with the number of personnel needed to cover the particular event. Reserve Employees will be required to attend thirty-six (36) hours of Special Event coverage per year and attend the necessary scheduled training to maintain certification levels, i.e., First Aid, EMT, CPR, CPR Instructor.

12.5: Special Event Coverage: Events such as Parades, Community celebrations, etc, shall be posted as far in advance as possible with the number of personnel needed to cover the particular event. Employees in both the Reserve and Part-Time classifications shall be granted special event work based on seniority and number of previous hours worked in a Special Event. Preference shall be given to Reserve employees for Special Event coverage.

12.6: Training: The Employer and the Union agree that training is essential in maintaining a high state of professional readiness to serve the City of Rochester Hills. As such, training sessions will be scheduled between Monday and Saturday to accommodate as much as possible, those employees unable to attend dayshift training due to their full-time employment responsibilities. All suppression members shall be required to attend a minimum of eight (8) hours of training per month or a minimum of ninety-six (96) hours annually. While on-duty, members shall attend all department-offered training. Training which is attended during an employee’s scheduled shift shall count toward the ninety-six (96) hour requirement; however, employees may be required to attend training during non-scheduled time. Outside training which is related to the work of the Fire Department may be counted toward the ninety-six (96) hour requirement with the approval of the Chief and the Training Officer.

All non-scheduled training must be approved in advance and in writing by the Fire Chief or his designee.

12.7: Schedule Adjustments:

A. Part-time employees may voluntarily trade shifts with another part-time employee under the following conditions:

1. No overtime pay shall be created as a result of this provision.

2. The request for a trade of a shift shall be submitted in writing at least 24 hours in advance and shall be subject to the authorization of the Fire Chief or his designee.
3. Trades shall be limited to only two (2) fire fighters.

4. The City shall not assume any responsibility for any time lost to any member.

B. In addition to trading shifts, Part-time employees may adjust their schedule to work any open shift under the following conditions:

ARTICLE 24 - ANNUAL PHYSICALS AND RETURN TO WORK

All suppression members of the bargaining unit may, at the discretion of the Fire Chief, be medically evaluated prior to being reassigned to emergency duties after an illness/injury needing medical attention and/or an operation requiring hospitalization. The medical evaluation will not only include a complete physical examination, but may also include a mental examination. If an
employee fails to pass either the physical examination or the mental examination, the employee will not be reassigned.

24.1: Annual Physicals:

All suppression members of the bargaining unit shall attend a Department physical examination on an annual basis. (The deadline for completion of the examination date to be determined by the Fire Chief or designee, but shall not be less than sixty (60) calendar days from the ratification date of this Agreement.) The annual physical shall be job-related and consistent with business necessity. The scope and process of, and standards applied, shall be in accordance with Sections 7.5, 7.6 and 7.7 of Chapter 7 and with Chapter 9 (including Annex A material relating thereto) of NFPA 1582 Standard on Comprehensive Occupational Medical Program for Fire Departments. Except in the case of a dispute as provided below, the only information to be provided to the City from the annual physical exams is whether the employee passed or failed, and if failed, then the reason(s) and basis for concluding why the member failed. The City shall make reasonable accommodations as required by law, but shall not be required to provide for alternative, restricted or light duty assignments. If an employee fails to pass the Department physical, the employee shall receive an unpaid leave of absence for up to twelve (12) months and may return to work when cleared by the City’s Occupational Medical Provider.

If the member disagrees with the findings of the annual physical, the member’s physician shall be provided with all the information and test results upon which the Department doctor relied in finding the member unfit for duty pursuant to the above-referenced NFPA provisions. If the member’s physician disagrees with the findings of the City’s doctor, the matter, including all the information and tests results upon which the City’s doctor and the employee’s doctor relied, shall be submitted to a third doctor mutually selected by the Union and the City, or if mutual agreement on a third doctor cannot be reached, then submitted to arbitration under Step 4 of Article 9. The decision of the third doctor, or arbitrator, shall be final and binding on all parties.

The employee shall be made whole, in wages if the third doctor or arbitrator determines that the employee is fit for duty. The make whole remedy shall be offset by any benefits the employee received, and for any time period in which the arbitrator or third doctor determines that employee was not medically fit for duty as provided for in the above NFPA standards. The make whole remedy shall be for the entire period the employee was off work, unless the arbitrator or third doctor specifically determines that the employee was initially unfit for duty and became fit for duty as of a later date. In considering the issue of the extent of the make whole remedy, there shall be a presumption that the employee was medically fit at all times. Said presumption can be overcome by specific finding(s) by the arbitrator or third doctor that the employee was initially unfit for duty and became fit for duty as of a later date.

The first annual physicals shall be conducted in 2019 and the results of those annual physicals shall be provided to the employees. The results of the 2019 annual physicals shall not be provided to the City unless the Department doctor finds that an employee’s continued performance of his/her duties presents a serious threat to the employee or others.
Reserve non-suppression members shall not be subject to a medical examination under this Section.

24.2: **Medical Evaluations:**

All suppression members of the bargaining unit may, at the discretion of the Fire Chief, be medically evaluated prior to being reassigned to emergency duties after an illness/injury needing medical attention and/or an operation requiring hospitalization. The medical evaluation will not only include a complete physical examination, but may also include a mental examination. If an employee fails to pass either the physical examination or the mental examination, the employee will not be reassigned.

Evaluations under this provision shall be pursuant to the standards set forth in Sections 7.5, 7.6 and 7.7 of Chapter 7 and with Chapter 9 (including Annex A material relating thereto) of NFPA 1582 Standard on Comprehensive Occupational Medical Program for Fire Departments. However, only portions of the NFPA standards relevant to the injury/illness and/or operation are required by this Sub-Section.

If an employee is not reassigned, the employee shall receive an unpaid leave of absence for up to twelve (12) months and may return to work when cleared by the City’s Occupational Medical Provider.

If the member disagrees with the City’s determination, the member’s physician shall be provided with all the information and test results upon which the Department doctor relied in finding the member unfit for duty. If the member’s physician disagrees with the findings of the City’s doctor, the matter including all the information and tests results upon which the Department doctor and the employee’s doctor relied, shall be submitted to a third doctor mutually selected by the Union and the City, or if mutual agreement on a third doctor cannot be reached, then submitted to arbitration under Step 4 of Article 9. The decision of the third doctor, or arbitrator, shall be final and binding on all parties.

The employee shall be made whole in wages if the third doctor or arbitrator determines that the employee is fit for duty. The make whole remedy shall be offset by any benefits the employee received, and by any time period in which the arbitrator or third doctor determines that employee was not medically fit for duty as provided in the above NFPA standards. The make whole remedy shall be for the entire period the employee was off work, unless the arbitrator or third doctor specifically determines that the employee was initially unfit for duty and became fit for duty as of a later date. In considering the issue of the extent of the make whole remedy, there shall be a presumption that the employee was medically fit at all times. Said presumption can be overcome by specific finding(s) by the arbitrator or third doctor that the employee was initially unfit for duty and became fit for duty as of a later date.

Reserve non-suppression members shall not be subject to a medical examination under this Section.
24.3: Employees attending examinations under this Article shall be released from their work assignment from the Fire Department and receive their regular pay if the examination is conducted while they are on-duty. Employees shall return to complete the remainder of their shift after the examination, unless the physician certifies that the employee is unable to return to work. Employees attending examinations under this Article during their regular full-time employment shall receive four (4) hours base pay, at their Fire Department hourly rate, provided they provide documentation from their full-time employer that they had to take time off work from their full-time employment. If the employee is unable to obtain such documentation from their full-time employer, he/she shall sign a standard form provided by the Fire Department attesting to their regular work schedule with their full-time employer and the hours they missed from that work because of the medical examination.

D. The Fire Chief or designee may order a test in the event of a vehicular crash or other incident or if there are controlled substances missing which were entrusted to the City.

E. If the Fire Chief or designee orders such a test, he shall prepare signed, dated, and timely documentation and furnish a copy to the Employee.

F. Demand for Testing

At the time that the order is given, the employee shall be advised that refusal to submit to the test shall be cause for discipline, up to and including discharge.

If the results of the test prove negative, the employee shall be compensated for all time occurring outside of his/her scheduled work hours that are directly attributable to the actual testing process for alcohol or controlled substances (e.g. to/from the Clinic, waiting to be tested at the Clinic and while giving the required samples for testing). Such reimbursement shall be at the appropriate rate of pay.

G. Testing Procedure

To maintain the integrity of the collection and testing process, the following testing procedure will be observed. All testing shall be done in accordance with the appropriate U.S. Department of Transportation guidelines at a NIDA approved laboratory unless in conflict with a provision of this Agreement which shall be controlling.

1. The employee, if he/she so wishes, may have a Union Representative present as a witness to the collection process, but the Union representative shall not interfere or in any way jeopardize the test collection process. The Union Representative will also not be paid for the time spent outside of his/her regularly scheduled work hours as a witness to the collection process.

2. Upon completion of all testing and after test results are known, the City shall within 24 hours take reasonable steps to notify the employee of the results of the testing. A signed, dated, timed and contemporaneous written report from the laboratory must be sent to the City of Rochester Hills within 72 hours or as soon as practical after the test and shall be made available to the employee (and the Union if so requested by the employee in writing) immediately after its receipt by the City. If the report does not contain the
following information, the City will obtain and furnish such information as soon as is practicable.

(i) Type of test(s) conducted;

(ii) Results of the tests; and

(iii) Level tested for each controlled substance and the test methodology employed; and

(iv) Any available information concerning the margin of accuracy and precision of the quantitative data reported for the test(s).

3. If the results of the test(s) are negative, any remaining samples will be opened and disposed of and container label(s), chain of custody records, and all other reports pertaining to the test(s) will be destroyed.

4. The specific levels of controlled substances or alcohol found in the employee’s samples will be reported to the City of Rochester Hills only if the confirmation test is positive.

H. Laboratory Tests

All drug screening tests will be by generally accepted method. If the initial test report is positive, the employee will be placed on suspension without pay until the confirmation test results are known to the City. If the confirmation test report is negative, the employee will then be compensated for all time lost as if he/she had worked.

3. **EMPLOYEE ASSISTANCE SERVICE**

A. If the above-referenced testing results are positive, the employee shall be given the opportunity to participate in the Employee Assistance Service (EAS) offered by the City of Rochester Hills.

Participation in the EAS allows employees to be directed to medical help by participating in a rehabilitation program and, at the same time, be given an opportunity to possibly retain employment with the City. Employees who are required or elect to be treated on an in-patient basis must utilize annual and/or vacation time for this purpose. In the absence of such available time, the employee will be granted a leave of absence without pay and without loss of seniority for in-patient treatment. If the employee does not participate in and successfully complete a prescribed rehabilitation program within six (6) calendar months of the positive test, he/she shall be subject to discipline, up to and including discharge. If the employee successfully completes the prescribed rehabilitation program, the
employee will be returned to his/her former position with retention of all seniority rights.

B. Any subsequent positive test within twenty-four (24) months after the conclusion of the rehabilitation program will result in immediate discharge. The Union agrees that a termination under these circumstances is not subject to the grievance procedure. Subsequent testing during this 24 month period shall be random and limited to no more than four (4) random tests during this period. Random testing will occur during the employee’s regularly scheduled work time. Such random testing is in addition to other alcohol/controlled substance testing prescribed by this Article and shall be in accordance with the testing procedures contained in this Article.

All participants in the EAS may submit their participation costs to the parties’ health insurance carrier for possible reimbursement.

4. **CONFIDENTIALITY**

All records pertaining to the initiation and administration of this program, including but not limited to, the supervisor’s report, employee’s explanation, Physician’s report, Departmental testing record, and any Employee Assistance Program reports shall be treated as strictly confidential and shall be maintained only by the Human Resources Department as a part of the employee’s medical record. No such records shall be maintained in the employee’s regular personnel files. All such records pertaining to a positive test shall be destroyed within two (2) years of the Employee’s successful completion of a prescribed rehabilitation program. Any individual in unauthorized possession of such a record is subject to discipline.

5. **RESCISSION OF PRIOR RULES**

All rules inconsistent with the above are hereby rescinded. All City rules, policies, directives and procedures regarding the possession, manufacture, and/or sale of alcohol or controlled substances while on duty or on City property or in a City vehicle shall remain in full force and effect.

6. **GRIEVANCE PROCEDURE**

Any disputes concerning the interpretation or application of this policy and procedure shall be subject to the grievance procedure except for the discharge of a repeat offender as described in section 4B above.

7. **UNION HELD HARMLESS**

The Union and its members shall be held harmless for the City’s violation of any laws or regulations arising from the creation, implementation, or administration of this policy/procedure by the City.
