FEDERAL POVERTY INCOME STANDARDS

The following are the federal poverty income standards, which the United States Office of Management and Budget recommends that federal departments and agencies use.

The annual allowable income includes income for all owners, co-owners, and persons residing in the principal residence.

The following are the Poverty Thresholds as of 12-31-20 for us in setting poverty exemption guidelines.

<u>No. of Persons Residing in Homestead</u>	<u>Poverty Threshold</u>
1 Persons	12,760
2 Persons	17,240
3 Persons	21,720
4 Persons	26,200
5 Persons	30,680
6 Persons	35,160
7 Persons	39,640
8 Persons	44,120
For each additional person add	4,480
